- NOTE: 37 C.F.R. §1.28(b) requires "Notification of any change in loss of entitlement to small entity status must be filed in the application...prior to paying, or at the time of paying...issue fee..." From the wording of 37 C.F.R. §1.28(b): (a) notification of change of status must be made even if the fee is paid as "other than a small entity" and (b) no notification is required if the change is to another small entity.

STATEMENT OF FACTS IN SUPPORT OF FILING ON BEHALF OF NONSIGNING INVENTOR (37 C.F.R. § 1.47)
NOTE: This statement as to the pertinent facts concerning the refusal of the nonsigning inventor to join in the application or where the omitted inventor cannot be found or reached must accompany the declaration signed on behalf of the omitted inventor by a joint inventor or by a legal representative who shows a proprietary interest. Where the entity with a proprietary interest executes the declaration on behalf of the omitted inventor there must also be a showing that such action is necessary to preserve the rights of the parties or to prevent ineparable damage. 37 C.F.R. §§ 1.47(a) and (b).
This statement is made as to the exact facts that are relied upon to establish the diligent effort made to secure the execution of the declaration by the nonsigning inventor for the above-identified patent application before deposit thereof in the Patent and Trademark Office.
(check next item, if applicable)
Because signing on behalf of the nonsigning inventor is by a person or entity showing a sufficient proprietary interest, this statement also recites facts as to why this action was necessary to preserve the rights of the parties or to prevent irreparable damage.
This statement is being made by the available person having first-hand knowledge of the facts recited therein.
NOTE: The statement "must be signed, where at all possible, by a person having first-hand knowledge of the facts recited therein." M.P.E.P. § 409.03(d), 7th ed. If different persons have first-hand knowledge of different facts, then a declaration from each such person as to those facts he or she knows should be submitted separately.
NOTE: Copies of documentary evidence, such as certified mail return receipt, cover letter of instructions, telegrams, etc., that support a finding that the nonsigning inventor could not be reached should be made part of the affidavit or declaration. It is important that the affidavit or declaration contain statements of fact as opposed to conclusions. M.P.E.P. § 409.03(d), 7th ed.

I have acted for Seamus Devlin and his company Vexcolt (UK) Ltd for a number of years. I have been involved in several patent applications in whichboth Seamus and Michael Bura have been named as inventor. Both Seamus and Michael are, or were, employees of Vexcolt (UK) Ltd and so under English law all the patent applications belong to the company.

Recently, Seamus and his company moved from Hampshire to Devon. I understand that Michael Bura did not also move.

Seamus instructed me in the filing of the US national phase of the international application and I prepared the necessary forms and forwarded the same to him for signature. I then instructed Mr A Fressola to file the necessary papers for this application. Mr Fressola continued further copies of the necessary forms, the the Resignment and the Declaration, and as I had not received the original forms from Seamus, I sent these forms as well.

On 22nd March I telephoned Seamus to chase up the forms and he told me that he had been unable to contect Mr Bura. I asked him to keep trying but to send me the forms with his signature. He did this and also enclosed a note by fax to say that he beleived Mr Bura to be "enjoying a lifestyle to which neither you nor I will ever become accustomed". I enclose a copy of this note.

I understand Seamus Devlin to have made reasonable efforts to contact Michael Bura, including telephoneng and writing to his last known address, and contacting various mutual friends. However, despite these efforts he has been unable to contact him.

Dear Nigel,

Re: Patent 508-042.8

Please find attached the forms duly signed. Unfortunately, despite a fairly exhaustive search, I cannot trace down Mick Bura to get his signature. I understand he received a significant inheritance from his father and can only speculate that he is currently enjoying a lifestyle to which neither you nor I will ever become accustomed.

I hope that this doesn't cause a problem.

Kindest regards to you and the harem.
